## BOOK SYNOPSIS

Being an athlete is not the only way to experience the thrills of a sports game firsthand. Referees and sports officials usually spend more time in the field or in the arena than athletes themselves and are often just as instrumental to the outcome and enjoyment of a game. Pursuing a career in sports officiating requires a love of the sport, an eye for detail, and patience, among a host of other qualities. This exciting volume details the keys to ensuring fairness, safety, and sportsmanship on the field and the skills required to become a successful sports official.
