BOOK SYNOPSIS

Momo Traders features extensive interviews with ten top day traders and swing traders who find stocks that move and capitalize on that momentum. They began where you are and now make a great living--some even becoming rich. They weren't given a leg up, they didn't start with millions, and they don't manage billion-dollar hedge funds. They battle the market day in and day out just like you--and win! Hear in their own words, how they got started, what strategies they employ, how they deal with losing streaks, what setups are most profitable, how they overcome blowups, what tools they use, how they enter trades, how they exit trades, how they manage risk, how they maintain success, and much, much more. From the swing-set builder trading with credit card advances to the penny-stock trader outwitting market makers to the accountant funding trading accounts with cash his employer gave him to pay for his MBA, these Momo Traders have figured out what it takes to beat the market. Foreword by Brett Steenbarger, Trading Psychologist and Author of The Daily Trading Coach. Interviews with Gregg Sciabica, Eric Wood, Derrick Leon, Phil Goedeker, Bao Nguyen, John Welsh, Tim Grittani, Tom O'Reilly, Nathan Michaud, Michele Koenig
