BOOK SYNOPSIS

Ten years of dedication to the Navy taught SEAL Jon Rudnick one thing—he's not afraid to risk life and limb for his country. But when navigating military red tape begins to present more challenges than the enemy it makes Jon question his future. So does Alison Cressly, the woman he can't get out of his head. When Ali's life is threatened and military rules won't allow him to intervene, Jon decides it's time to take back control. A team of sexy SEALs, a terrorist threat, and an attraction that can't be denied . . . it all comes together in this launch of the new Hot SEALs romantic suspense series from New York Times and USA Today bestselling contemporary romance author Cat Johnson.
