Over 100 Coloring Pages Looking for worksheets for kindergartners and kindergarten activities? Look no more! Help your child develop a lifelong love for reading by teaching reading skills at an early age. With Sight Words for Kindergarten, cute and friendly animal characters guide children through 52 Dolch Sight Words. Animals and words can be colored with crayons to provide hours of fun and learning. The Sight Words for Kindergarten Coloring Book offers easy coloring pages, so children will have fun while learning. Highlights An easy font for children to read 52 Dolch sight words Cute animals for coloring Age appropriate list of sight words (kindergarten) Link to download free sight word worksheets Coloring books are a great educational tool. Studies have shown that coloring helps improve motor skills, contributes to better handwriting, improves color recognition, and improves hand to eye coordination. When children are using the practice sheets, make sure they are writing the letters from top to bottom. This will provide a consistent direction and is the most efficient way to write. You can help help your child's development by emphasizing this technique. Practice makes perfect. Your child may need practice on particular words. Each worksheet can be downloaded from our website (the link is provided inside the book) to allow as much practice as needed once the coloring book has been completed. A coloringbook, colorbook, educational tool, all in one.
