BOOK SYNOPSIS

The ultimate guide to the hit program Charmed, this is both a book of spells and a key to the mysteries of the show. The Book of Shadows celebrates the best of Charmed, from its roots in the ancient tradition of Wicca to insider information on the show's stars. N.E. Genge not only provides fascinating background details for the show's Wiccan elements, but also guides readers in performing their own magic. Fans with a witchy bent will learn about the tools of magic and divination and the casting of spells. Recipes and rituals -- from those that beckon love or bless a new business venture to those that bequeath strength or bestow fortune -- are all included. The Book of Shadows is a sassy celebration of witches, sisterhood, and magic. This book has not been prepared, approved, licensed, endorsed, or in any way authorized by any entity that created or produced Charmed. From the Trade Paperback edition.
