BOOK SYNOPSIS

A complete introductory guide to the principles and clinical application of teamwork in health care. *Understanding Teamwork in Health Care* emphasizes the essential competencies necessary to implement teamwork in health care in a complex hospital or primary care setting. Unlike similar books on the subject which are theoretical or policy-oriented, this text offers practical, real-world coverage. Valuable for health care professionals seeking a thorough explanation of teamwork and for trainers working in hospitals or primary care settings; could also be used as a textbook. Mini-cases throughout the text help readers appreciate real-world application of principles. Written to a level suited for the non-specialist.
