BOOK SYNOPSIS

The ultimate love story began in White Lines, and now, in this stunning conclusion, Jada and Born come full circle, but not without paying a hefty price in White Lines III: All Falls Down by Tracy Brown. On the surface, Jada's life is back on track. She's battled her demons, her son is a permanent part of her life-and yet, it still feels like she's on shaky ground. What she really needs to settle her soul is to have Born back in her life-and in her arms-again. But reuniting with the man she loves is proving to be the hardest thing she's ever fought for. And when a brutal and shocking event tests the foundation of Jada and Born's resolve, it will take every drop of willpower they possess to stay on top.
